Dawn-

Thanks for explaining this last night and your assistance in getting this corrected.

Greg-

Please see Dawn's response regarding contacting the credit card company to request the authorizations be released for the additional charges. There should only be 11 charges of \$96.23 for each room. If you have any issues, Dawn's contact info is at the bottom of this email. Please let me know if I can assist further. Again, thanks for your assistance and sorry for the confusion.

Hey Doretha, **Each room was charged \$96.23**. The other charges showing are credit card authorizations. You can call the credit card company and see when they will be released and if they need anything from me please feel free to reach out to me . Thanks

Dawn Chapman, General Manager –

Dena Rambo told me to contact you regarding the 11 rooms held for EPA personnel for 30 days beginning 9/8. The rooms were requested to be released on 9/8; but 11 charges of \$99.87, 7 for \$699.09 and 2 charges of \$730.94 were applied to the credit card. We are aware that EPA would be charged for 1 night per room; so, please let us know how to get these other charges corrected. We really appreciate your assistance and await your response.

Thanks in advance.
